Dear Parent or Guardian,

Rockton School District #140 will sponsor Pre-School Screening and **Kindergarten Registration** for all children 3 years old to Kindergarten age. The purpose of the screening is to identify any potential developmental difficulties and to identify children for our "at-risk" pre-school program. This is also Kindergarten enrollment time for the 2019-2020 school year. Only children five years old by September 1, 2019 are eligible for Kindergarten. Please bring your child's **certified** birth certificate with you so that we can make a copy of it. Also, **2 forms** of proof of residency will be needed for Kindergarten registration (i.e. **one** most recent property tax bill with proof of payment or signed and dated lease with proof of last month's payment **AND one** recent utility bill within 30 days (i.e. gas, electric, water, or cable).

Our district has a full-day Kindergarten program with children attending daily from 7:45a.m.–2:35p.m. Our "at-risk" pre-school meets 2 ½ hours a day, 5 days a week.

Please help us reach all area pre-schoolers! Notify any friends or neighbors that have children eligible for screening that may not have older students attending Rockton Grade School, Whitman Post, or Stephen Mack Middle School. Thank you!!
