## JUNIOR INDIANS MIDDLE SCHOOL SWIM TEAM

We are excited to announce our **third** Junior Indians Swim Team season for the middle school kids of Rockton, Roscoe and Shirland. The mission and purpose of the Junior Indians Middle School Swim Team is to provide a great opportunity for kids to try a competitive swim team and get their "**feet wet**" prior to joining the Hononegah Swim Team.

The Junior Indians Swim Team is comprised of students in the 6th through 8th grade at Stephen Mack, Roscoe Middle School, Willowbrook and Shirland Middle Schools. The Junior Indians Swim Team is a co-op team operated by The Stateline Aquatic Team, a year-round USA Swim Team and is not affiliated directly with any of the schools.

The Junior Indians Swim Team is a member of and competes in, the Rock River Athletic Conference against Eisenhower, Flinn, Freeport, Harlem, Kennedy, Lincoln, Marshall, RESA and West Middle Schools. We will have dual meets against each of these teams and our season will culminate with a Championship Meet on March 7th, 2020 at Jefferson High School.

The Junior Indians Middle School Swim Team will practice at Harlem Middle School and Beloit College. Actual practice locations will depend on pool space and availability. Scott Kitzman will direct a coaching staff comprised of Stateline Aquatic Team coaches and some of our high school swimmers.

### **Costs:**

## JUNIOR INDIANS MIDDLE SCHOOL SWIM TEAM

### 2020 Practice Location & Schedule

The Junior Indians Middle School team was able to use the Beloit College pool for practices for our previous two seasons. Pool time was shared with The Stateline Aquatic Team, a year-round USA Swimming Team. The Stateline Aquatic Team club team has grown this season and sharing pool space with the middle school team at a reasonable time in the evening is simply not feasible this season.

Also, Beloit College is in the process of building a new pool! It is an extremely exciting project called [The Powerhouse](#). [The Powerhouse](#) will feature an incredible 8 lane pool! And, for the time being, the old 6 lane pool that we've used in the past should still be available giving us plenty of lane space. However, like most major construction projects, it's a little behind schedule. It is our fervent hope that it gets completed and opened sometime in January.

Therefore, until we know the opening date of the new pool we have rented some pool time at [Harlem Middle School](#). We've used [Harlem Middle School](#) in the past when the Beloit College Pool was inoperable.
