Summer-camps 5th-8th

Month	Dates	Location	Morning K- 3rd	Afternoon K-3rd
June	3-7	Christian Life	Captain EnergyPants	
June	10-14	Christian Life	Creating with Code	
June	3-7	Rockton Whitman Post	Captain Energy Pants	Engineering Design challenges
June	3-7	Rockton Whitman Post	Creating with Code	Discover Robotics
June	24-28	Rockton Whitman Post		Intro to computer science
June	24-28	Rockton Whitman Post	Ahhh... .Power of Math	Sustainability Mission
July	8-12	Rockton Whitman Post		
July	8-12	Rockton Whitman Post	Underwater Exploration	Maker's Movie Magic
July	29 - Aug 2	Rockton Whitman Post		Entrepreneurship Exhibition
July	29- Aug 2	Rockton Whitman Post	Taste of STEM	
June	10-14	Roscoe Middle School	Mystery of ME!	Creating with Code
June	10-14	Roscoe Middle School	Discover Robotics	Discover Robotics
June	17-21	Roscoe Middle School	Engineering Design Challenges	
June	17-21	Roscoe Middle School		
Month	Dates	Location	Morning 3rd-6th	Afternoon 3rd-6th
June	3-7	Christian Life	Minecraft Aquanauts	
June	10-14	Christian Life	Discover Robotics	
June	3-7	Rockton Whitman Post	KODU Game Making Lab	Virtual Reality: Underwater Exploration
June	3-7	Rockton Whitman Post	Minecraft Aquanauts	Engineering Design Challenges
June	24-28	Rockton Whitman Post	Game Making with SCRATCH	Escape Room: DIY
June	24-28	Rockton Whitman Post	Ahhh... Power of Math	Sustainability Mission
July	8-12	Rockton Whitman Post	Minecraft Engineering	Website Design Lab I
July	8-12	Rockton Whitman Post	Underwater Exploration	Competitive Robotics
July	29 - Aug 2	Rockton Whitman Post	Animating with SCRATCH	Entrepreneur Exhibition
July	29- Aug 2	Rockton Whitman Post	Taste of STEM	KODU Game Making
June	10-14	Roscoe Middle School	Entrepreneurship Exhibition!	Hitting the Funny Bone
June	10-14	Roscoe Middle School	Virtual Reality: Underwater Exploration	Website Design Lab I
June	17-21	Roscoe Middle School	Engineering Design Challenges	Escape Room: DIY
June	17-21	Roscoe Middle School	Maker's Movie Magic	Robotics Challenges
Month	Dates	Location	Morning 5th- 8th	Afternoon 5th-8th
June	3-7	Christian Life	Entrepreneur Build to Market	
June	10-14	Christian Life	Home Automation with Raspberry PI	
June	3-7	Rockton Whitman Post	Engineering Design Challenges	Game Making with SCRATCH
June	3-7	Rockton Whitman Post	Virtual Reality	Minecraft Redstone
June	24-28	Rockton Whitman Post	Home Automation with Raspberry PI	Escape room: DIY
June	24-28	Rockton Whitman Post	Sustainability	Ahhh... .Power of Math
July	8-12	Rockton Whitman Post	Minecraft Engineering	Competitive Robotics
July	8-12	Rockton Whitman Post	Marine Biology: Explore and Create	Server up a Piece of Raspberry PI
July	29 - Aug 2	Rockton Whitman Post	Entrepreneur: Build to Market	Server up a Piece of Raspberry PI
July	29- Aug 2	Rockton Whitman Post	Taste of STEM	Virtual Reality
June	10-14	Roscoe Middle School	Python Programming Party!	Entrepreneurship Build to Market Challenge
June	10-14	Roscoe Middle School	Virtual Reality Animation	Python Coding Continued!
June	17-21	Roscoe Middle School	Home Automation with Raspberry PI	Escape room: DIY
June	17-21	Roscoe Middle School	Robotics Challenges	WordPress Website Design
