Boys and Girls Volleyball Skills Clinic

This clinic will be run by Carrie Human. Carrie has run our volleyball program for 11 years. Carrie also currently coaches 9th grade boys volleyball, 7th grade girls volleyball and club volleyball in the area. She is also USA volleyball Safe Sport/Impact Certified.

This clinic will cover basic volleyball skills. Players will learn to keep a positive attitude and build their sense of teamwork. Drills will be fun and challenging. We will work with each young athlete and adjust the drills to fit to their level of play. In the 5th - 9th grade session we will also work on agility and strength training. Participants will receive a T-shirt or YMCA promotional item.
